

b. Exhibit B attached hereto is a true and correct copy of an invention disclosure form with an accompanying cover letter dated November 2, 2000. The disclosure form indicates that commercial usage of the software embodiment began on March 13, 2000.

c. Exhibit C attached hereto is a true and correct copy of an email message dated Feb. 9, 2001, conveying a first draft of the present application to the inventors for their review. The conveyed drawings and specification are included as part of Exhibit C.

4. Each of the foregoing dates is prior to Feb. 13, 2001.

5. The present application was filed March 9, 2001, one month after the first draft of the application was completed, and less than a month after Chow's earliest possible effective filing date.

6. We hereby declare that all statements made herein are true; that these statements are made from our own knowledge; that these statements are made with knowledge that willful false statements and the like are punishable by fine, imprisonment, or both, under Section 1001 of Title 18 of the United States Code; and that willful false statements may jeopardize the validity of the application or any patent issued thereon.
